Grow your business with print-shop quality marketing materials and documents printed in-house.

This color laser printer is a natural choice for all your business printing. React quickly to change and print materials in-house on a variety of media using HP In-House Marketing tools. Printing photos is simple too, thanks to the new photo mode.

Forget the print shop—this color laser printer offers realistic photo quality, crisp text and sharp detail for every element on your page. Take your business printing to the next level with new HP ColorSphere toner and ImageREt 3600.

This color laser printer redefines "easy" with reliable print cartridge design, easy-to-use menus to manage printing, built-in networking and printer management software for staying on top of performance and ordering supplies.

Print more in-house with affordable color, fast speeds and a compact design. This color laser printer delivers great HP print quality and the same price for black printing as on an HP black-and-white LaserJet printer.
